Cairo CFO Summit
Your Finance Future Strategized Today

14 September

2022

9:30 AM to 10:00 AM

Registration and morning coffee

10:15 AM to 11:00 AM

Mr. Sherif Samy, Chairman CIB and the Egyptian Fintech Association, former Chairman Financial Regulatory Authority.

Building on his vast experience as financial services CEO, regulator and board member of numerous leading private sector and government entities, he will discuss recent developments in the financial sector particularly in light of the recent situation; and how they impact businesses and Finance in particular. Future outlook in FinTech will also be addressed.

- Questions from the audience

11:15 AM to 12:00 PM

Mr. Avramis Despotis: XM Chief Technical Analyst, Founder & CEO of Tradepedia, and the World-Class Guru in Financial Markets, Behavioral Finance, Technical Analysis & Trading

Avramis will share with the audience the know-how that costs a fortune which he offered to clients such as Reuters, HSBC, Barclays, Kuwait Financial Markets Association, National Commercial Bank, BNP Paribas, Société Générale and many others. His topic “Bridging the Trading Gap: Blending Technical and Fundamental Analysis” will touch upon recent developments in financial markets and trading secrets.

- Questions from the audience

12:15 PM to 1:00 PM

Dr. Amr Hassanein, Managing Director of MERIS, Moody's affiliate in Egypt

Dr. Hassanein is one of the key rating industry professionals with almost 25 years of experience in providing credit rating services in the Egyptian market. Dr. Hassanein will give an overview on Egypt sovereign rating, he will discuss the main rating drivers and how the current world economic challenges would affect the country's sovereign rating. Furthermore, Dr. Hassanein will shed light on the assigned ratings within several sectors in the Egyptian market.

- Questions from the audience

1:00 PM to 1:45 PM

Networking coffee break

2:00 PM to 2:45 PM

Dr. Riccardo Ambrosini, Lead - Sustainable Energy Finance, Africa - IFC, World Bank Group

Riccardo leads IFC advisory program for climate finance in Africa. In his session, he will discuss emerging trends in climate investments, and how Green Finance is becoming mainstream in financial markets in Africa. Riccardo will also shed light on the leading role and experience that IFC has in this field.

- Questions from the audience

3:00 PM to 3:45 PM

Mr. Youssef Salem: The Group CFO of SWVL & Former Executive Director of Moelis & Company

Youssef is one of the youngest and most daring CFOs in our region with an inspiring success story. From Egypt to Dubai to Nasdaq to going international in several successful M&As. Youssef will tell us about the Ups and Downs.
